Date: 28 June 2019

Dear Colleague,

**Multi-Agency Safeguarding Arrangements for Leicestershire & Rutland**

Please find attached the document detailing the Multi-Agency Safeguarding Arrangements for Leicestershire & Rutland Counties. These arrangements will replace the Leicestershire & Rutland Safeguarding Children Board with the Leicestershire & Rutland Safeguarding Children Partnership on 29 September 2019. This document is also available at [www.lrsb.org.uk/lrscp](http://www.lrsb.org.uk/lrscp).

We will be involved in further discussions to operationalise the arrangements and will be considering and preparing further communication over the next three months. We will continue to assess the arrangements as they develop and keep partners up to date with this through the rest of the financial year.

If you have any queries please contact the Safeguarding Board Business Office on 0116 3057130 or [sbbo@leics.gov.uk](mailto:sbbo@leics.gov.uk).

Yours Sincerely
